WELCOME TO STONEYLANDS

Good afternoon everyone, let's start by welcoming the players, officials and supporters from Swaffham Town and hope they enjoy their short stay with us. We also extend a warm welcome to today's three match officials.

Today's match features two teams without a point so far this season, so it's an important fixture as both sides will be very keen to get off the mark.

From the Long Melford point of view, despite losing to Woodbridge Town in midweek it was an improved performance compared to last week's defeat to Thetford. Hopefully it was a step in the right direction - the aim now is to take the positives from Wednesday into this afternoon's match.

Well done to Will Wingfield who reached the landmark of 50 goals for the club on Wednesday. For the statisticians, Will is averaging approximately one goal every five games. That's an impressive record, particularly bearing in mind Will has played in defence for the last few years. AC

HISTORY

Long Melford Football Club has a long and illustrious history as one of the country's oldest clubs, with records dating back to 1868.

Looking back, history tells us that the first record of the Club that year was a 5-1 victory over Ipswich Rangers in a game that was played on the Church Green.

More than 150 years later, the club is still going strong, and continues to grow.

You can read all about the different stories from the club's history on our website, and if you have any of your own Long Melford tales, have pictures, or artefacts, we'd love to hear from you.

LAST TIME OUT

Long Melford 2 - 3 Woodbridge Town

Thurlow Nunn Premier Division, 01 September

A much improved performance from Melford buoyed by some returning players, but still minus four key players.

The first half proved to be an even contest, with both teams moving the ball well and creating chances. The best effort for Melford was a George Day free kick which went narrowly wide, whilst at the other end Woodbridge took the lead on 42 minutes, Melford failed to restrict a cross from Callum Sinclair, and RYAN KEEBLE side footed home from close range.

The second half continued as the first period, with Luke Mallett always a threat to the Melford defence. The levelling goal came after 53 minutes a poor back pass failed to find former Melford keeper Michael Bett, and GEORGE DAY intercepted to slam the ball into the net. At the other end some fine goal keeping from Matt Walker kept Melford in the game.

On 58 minutes a long Woodbridge throw into the Melford box, saw Melford fail to make a positive clearance, and eventually ANDY CROWE bundled the ball into the net, not pretty but they all count!

Play swung from end to end, with Woodbridge always looking more capable of finding the net. Breaking from some Melford pressure Woodbridge scored a third goal after 77 minutes when substitute and ex Football League player SCOTT MCCARTHY took on the Melford defence to fire home.

Just a minute before the end Melford scored from the penalty spot when a Woodbridge defender handled a shot and WILL WINGFIELD converted from the spot. CHENOBERET

AROUND STONEYLANDS

Under-18s go out of FA Youth Cup

The Under-18s faced their first home game of the season on Thursday night against Dereham Town in the FA Youth Cup preliminary round.

New boss Nathan Bartlett's reign started a week earlier with a tough match-up with neighbours AFC Sudbury, who took a 6-1 win.

It wasn't any easier on Thursday with Dereham, another academy team, coming out with an 8-0 victory. At half-time, the visitors only just edged things, taking a 2-0 lead in with them as the young Villagers worked hard and made things difficult. It was very similar as they started the second period, but two quick-fire strikes then put Dereham 4-0 up and their fitness began to show. But there were plenty of positives to take away for Melford as this new side continue to develop.

Next up for them is a home game on Thursday night against FC Clacton as they return to league action. Kick-off is at 7.45pm.

Reserves Ready For Kick-Off

After a long pre-season and a delayed start to their league campaign, Dave Hennessey's reserve team get the real business under way on Saturday when they travel to Diss Town for their Thurlow Nunn Reserve League opener.

Having wrapped up their friendly fixtures with a 2-1 win away at Clare Town, Dave's boys - featuring a number of new faces for the season - can't wait to start playing for points again.

After the trip to Diss, they are again on the road the week after when they go to Saffron Walden Town, before returning to Stoneylands for their first home league game against Hadleigh United on 18 September.

With the first team away at Mildenhall that day, if you are looking for your local football fix, pop along and give the boys a cheer.

FROM THE DUGOUT

It was a much better performance from the lads on Wednesday night as we finally started to play with a bit of confidence and bravery against a decent Woodbridge Town side.

We were therefore disappointed not to get at least a point, which we feel we would have deserved for our efforts. But it has given us reason to be optimistic and also things to work on, as we look to pick up our elusive first win of the season.

We welcomed a couple of lads back from absence, and expect to have one or two more back in the frame today, so with more players comes more competition for places, which is a situation all clubs want to be in.

You need to be able to have a strong squad, with games coming thick and fast. Having not played at home at all for the first four weeks of the season, today will be our third outing here at Stoneylands in eight days. The season really is up and running now.

Swaffham have had a tricky start to the season like us, so will also be desperate to pick up points today. It's going to be a battle and will need us to be as good as we were on Wednesday, if not better, if we are to get something out of it. Hopefully we can step up again and build on that performance and start moving up the table.

Once again, we'd like to thank you all for your support today. It really is great to see supporters back inside the ground and without you and all the volunteers behind the scenes, football just won't happen. So, we hope you enjoy the game, wish you all a safe journey home after and maybe see you on Tuesday night as we travel to take on Hadleigh United.

Have a good afternoon!

TODAY'S OPPOSITION

Swaffham Town FC was founded in 1892 and had a rather successful start getting to the final of the Norfolk Junior Cup two years later, the club itself continued through the years until its next highpoint in 1951-1952 where the junior cup home was bought home after winning it for two consecutive years, capping off the historical era of the club on a high.

The modern era of the club as we know it today started back in 1959 where club legends such as Bob Tuttle, Albert Hudson and Gurney Titmarsh amongst others, purchased the land on behalf of the club for as little as £250.00.

Swaffham Town Football Club has been built and is continued to be looked after by good working class families who live in the town and surrounding villages and it's safe to say we are proud of the legacy left behind of those still with us and those who unfortunately are not.

The original club house itself was located further up the pitch and was a relatively small building containing changing rooms and a tiny area to have a tea after the match. I'm told one of the standout memories of the old club house was the communal team bath that took the whole game to fill up. As time passed the club grew and it was decided to relocate the clubhouse to its position today, at the bottom of the infamous slope.

This took place after the late 60's and into the 70's and the works were again completed by good local families such as the Leadbetters, Tuttle's, Palmer's, Hudson's, Ward's and the Titmarsh's and it's safe to say that they did a fantastic job.

The club progressed throughout the coming years and became the stable senior outfit it is today, drifting between the two divisions in the then Jewson league and the Thurlow Nunn league as it is known to date under managers such as Lucian Hodgkinson and Paul Hunt. Throughout those years' memorable characters such as, Jock, Stuart Seales, David Leadbetter, Mark Blockwell and David Spalding have put on the famous black and white stripes.

The highest level the club has ever reached is step 5 in the English footballing pyramid.

TODAY'S OPPOSITION

The previous meeting between Long Melford and Swaffham Town ended in a 1-0 win for The Pedlars at Shoemakers Lane, in September 2020.

Under leaden skies and heavy rain falling, Melford elected to kick up the slope and Swaffham soon had the ball in the net but it was disallowed for offside.

Melford were looking sloppy with their passing and Swaffham went in the lead on 13 minutes, Melford were caught square and EMRE UPSTON broke through to score.

Melford improved somewhat and Ben Tait headed onto an upright and shortly afterwards Ben Judge struck a post.

In the second half Melford were soon on the attack and Jamie Griffiths drew a fine save out of Swaffham keeper Brown.

Chances continued to come Melford's way but overall they lacked composure and at the other end Finlay Shorten had to be alert on more than one occasion to prevent Swaffham doubling their lead.

Callum Hemson, Dan Smith and Archie Pether were all introduced for Melford but to no avail and the sun was shining at the final whistle with Swaffham claiming all three points.

MELFORD MEMORIES

Towards the end of the War, there was a serviceman posted in the Long Melford area who played for Newcastle United's Youth team.

As a result, Melford every second season were given the old Newcastle kit and the players were proud to have worn the shirts of men like Jackie Milburn and Ted Robledo.

In the 1950s, Melford had at left half Arnold Grundy, who played a handful of games for Newcastle, Southport and Liverpool. Also around that time Alf Chalkley who played for West Ham kept the Black Lion on the Green and he also got involved.
